Vol. 9

Spring 1984

6 Sections 144 Pages

As we enter this school year, our minds are on the political and physical world. This year, nuclear war became "thinkable" enough to warrant a television movie. This year, American military might is being exercised worldwide with the sad by-products of many American deaths.

Youth and adults alike are concerned, even nervous about our destiny; and as we read our yearbook in 1984, or '94, or 2014, let us remember the feelings of the day and reflect on what has happened between then . . . and now.

## Dedication

The Class of 1984 wishes to thank Mr. Rod Sedegren for his many years of service and involvement in countless activities at Mill River. He has been there when we needed him. A caring friend forever. Thank you Rod.

The Class of 1984 would like to thank Mrs. Bruso, Mr. Coughlin, Mr. Crandall, Mr. Houghton, Mr. Mac McDevitt, Miss Moore, Mrs. Niedermeier, Mr. John Stevens and Mr. Wakker, for the help they gave in the production of this book and for the help they gave us over the past four to six years.

### Congratulations to the Class of 1984

Graduation from high school is far from being an end, it is the beginning of all of your tomorrows. Over the past several years you have worked and studied, practiced and played, and grown — mentally and physically — and now you are ready to begin a new life.

Whatever course your future takes, it is my sincere hope that you will look back on your years here as having prepared you to meet and deal with all of the challenges that life will present.

On behalf of myself and the faculty at Mill Union High School I wish to each of you happiness and a very successful future. Best of luck and congratulations to the Class of 1984.

## 1983 Parade

This past fall the Art Department studied culture of India and created an entourage of costumed Indians marching with a decorative elephant, a temple representing the Taj Mahal, and a flute playing yogi sitting on a flying carpet with a dancing hypnotic cobra in a basket.

Drawing students made the stained glass windows, sculpture students helped with the sculpturing of the floats and advanced art students did the planning, construction and special effects.

A few problems arose such as the elephant squeezing thru the wrestling room doorway, the temple collapsing in Rutland, and the cobra breaking. But they were temporary set backs. Mill River students proved again to the public that they are *number one!*

Stage 40

A large group of students and faculty are posed on a stage. The group is arranged in several rows, with some individuals standing and others sitting or kneeling in the front. They are dressed in a variety of styles, including sweaters, button-down shirts, and jackets. The background features a stage curtain and a set of bleachers on the right side. The overall atmosphere is formal yet celebratory.

## Sports Legend Leads M.R.

Mr. Dean Houghton, Principal of Mill River since its creation in 1975, has led an enthusiastic and triumphant career in high school sports.

You have to ask the right questions to get him to tell you about his coaching at Poulton H.S. and his local and national affiliations with high school sporting interests.

The answers to those questions yield an impressive list of accomplishments.

- 23 years of coaching football, baseball and basketball — 2 and 3 sports per year.
- Coach of the year in two sports
- Athletic Director at M.R. for 8 years
- 16 years on National Federation of State H.S. Associations (rule making body for football)
- Charter member of Athletic Booster Club
- Vermont Headmaster Basketball chairman for 22 years.

Mill River's leadership in sports is well known despite its short years. Sportsmanship has been its foundation. We owe credit in large measure to Mr. Dean Houghton.

Thank you, sir.
